OJS News

18 May 2015

Miss Bramley, class 2 teacher is doing a bike ride for the NSPCC. Class 2 children want to help her raise lots of pennies so they are going to have an ice cream sale on Friday 22 May 2015 at break time. The children have also written to Bluebells Dairy to ask if they will send in some ice cream for the children to sell. If you would like to donate to Miss Bramley's fundraising please see her in the playground either before or after school.

Reminder, this Thursday 21 May 2015 we have the school photographer in school. Photos with siblings from other schools may be taken between 8.30am and 8.50am

Lost Property

There appears to be a phenomenal amount of lost property in school. As we are at the end of half term ALL lost property will be made available for viewing and claiming on the following days and times:

Thursday 21 May, after school 3.20-4pm

Friday 22 May, before school 8.30-8.50am

What is not claimed by these dates will be disposed of over half term.

Is your child a sun safe superstar?

OJS is signing up to the Sun Safe Schools scheme and your child would have brought a letter home last week giving you more details about the scheme. Please make sure you have completed the parent/carers response slip and returned it to school. Copies are available from the office. Once these are returned we can complete the next stage of signing up for this life saving scheme.

Considerate parking—Sadly we are receiving numerous complaints from our resident neighbours about cars that are parking badly or inconsiderately near the school. One complaint was of someone refusing to move so a resident may get off their drive for an appointment, whilst another was of a mother with a pushchair having to walk into the road to get around badly parked cars. Whilst I am sure residents of Holbrook Road understand that their road gets busy twice a day during term time, we would ask that all parents/carers park responsibly and treat our neighbours in a courteous manner.
