For parents who are in years 4,5,& 6 you will notice assembly has been moved to first thing in the morning. We would ask parents to ensure their children are in school on time as the children can sometimes feel 'awkward' about entering assembly once it has started. Assembly is an important part of your child's school life as this is where they collectively find out about what is happening in and around school.

Just this morning 15 children were late into school!
