Hello!

We are really looking forward to your visit to Lea Green. Whether you are climbing over the challenge course, practising your bow skills, putting on a harness and helmet for the ropes courses or exploring the grounds around the house you are guaranteed to find out that learning can be fun!

Aims:

- To try new things and meet new challenges
- To do your best and improve your confidence
- To work together and co-operate with each other

Your stay at Lea Green will give you a chance to experience and enjoy a wide range of activities; to learn more about staying safe and managing risk; and make a positive contribution to your group.

To get the most out of your stay you need to put a lot into them. Bring your sense of adventure with you!
