Wednesday 12th February 2014

Dear Parents / Carers

Please find attached a copy of the OFSTED report from our inspection on 21st and 22nd January. I am delighted that it reflects very well the positive attitudes of our children, the hard work of all of the staff and the improvements that have been made over the last two years. I am particularly pleased with the recognition that pupils make good progress and achieve well, that teachers plan interesting and enjoyable activities and that the school offers an excellent variety of activities to enrich pupils' learning.

The feedback from Mrs. Julie Price-Grimshaw, the lead inspector, to myself and the school leadership team was even more favourable. She said the school was 'knocking on the door of outstanding' and that we should invite them back early for another inspection.

In the drive towards even greater improvement we will work in school on the areas identified for improvement - pupils sharing their ideas with classmates and making all marking as good as the best.

I would also like to take this opportunity to thank all parents and carers for your positive contributions about school and your continuing support is very much appreciated.

Yours sincerely

Steve Darby
Headteacher
